

# Benefits of a DDAWN Membership

## Committee Support

The various committees and subcommittees sponsored by DDAWN provide an excellent opportunity for member agency staff to obtain training related specifically to their field, share ideas, problem solve, collaborate on special projects and/or events, and address system-wide issues specific to their field.

Current DDAWN Committees and Subcommittees include:

- **Adult Services Subcommittees**
  - *Adult Day Services*
  - *Employment*
  - *Housing (non-certified)*
  - *Residential (certified)*

## Member Meetings and Events

Membership meetings provide an excellent opportunity for executive directors, committee chairs, and other special guests to review association happenings and gather information pertinent to issues currently impacting our field through presentations, guest speakers, and networking.

## Legislative Voice

DDAWN Board Members currently represent the membership on several statewide committees to advance programming and advocate for the highest quality of services offered to people with developmental disabilities.

Members of the DDAWN Government Affairs Committee bring issues of concern to representatives at the local, state, and federal levels.

DDAWN events, such as DD Day, Candidate's Hour, Roundtable Meetings, and other specialized programs, provide opportunities for members to meet and network with key stakeholders and elected officials.

## Support Services

DDAWN is happy to accommodate requests from members for letters of support related to development of programs that provide new and/or expanding services to people with developmental disabilities, particularly those that provide opportunities for collaboration among members.
