DEVELOPMENTAL DISABILITIES ALLIANCE OF WNY

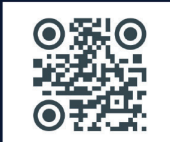

2026

GUIDE TO SERVICES

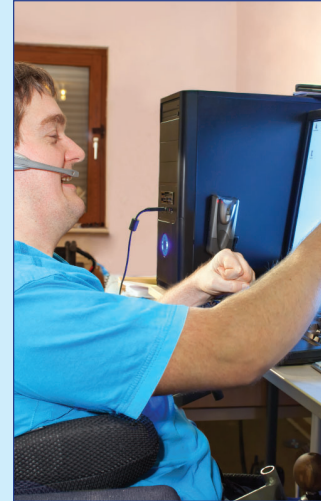

Region 1 Counties

A collaborative group of member voluntary agencies that provide services to people with developmental disabilities. This guide is intended to assist individuals, family members, community organizations and school district personnel who are seeking services and community supports to meet the needs of people with developmental disabilities.

ADVOCACY TIPS FOR PEOPLE WITH DISABILITIES, FAMILIES, AND ALLIES

CORE ADVOCACY PRINCIPLES

- **Value Every Voice:** People with disabilities, their families, and allies all bring valuable perspectives. Elevate the voices of people with disabilities and the people that help to support them, and use their experiences to highlight shared goals and real-life impact.
- **Lead with Lived Experience:** Tell your story. Whether you are a person with a disability, a family member, or an ally, share how an issue or policy affects daily life. Personal stories make issues real and powerful.
- **Be Clear and Focused:** Focus on one or two key issues and make a specific request or suggestion for change.
- **Stay Informed:** Know the laws, programs, and rights—such as the ADA, IDEA, and Medicaid—that impact people with disabilities. Being informed builds confidence and credibility.
- **Communicate with Respect:** Be polite and professional, even when you disagree. Respect builds trust and lasting relationships with policymakers and partners.

WAYS TO GET INVOLVED

- **Contact Elected Officials:** Call, email, or write your local, state, and national representatives. Mention that you are a constituent.
- **Attend Meetings:** Request or join meetings with legislators or their staff—come prepared and stay focused on your message.
- **Use Social Media:** Share stories, amplify disabled voices, and promote inclusion. Use accessibility features like captions and image descriptions.
- **Collaborate with Organizations:** Partner with disability and self-advocacy groups to strengthen your message and expand your reach.
- **Mobilize Your Community:** Bring people together to discuss, learn, and act on disability-related issues.
- **Promote Accessible Voting:** Support campaigns that include disability rights and ensure voting access for all.
